# 8.19  Interface

# Interface

| | Technical Data | Order no. |
|---|---|---|
| LPT interface<br>3HU / 6HP | 1  SUB-D 25-pin female<br>with approx. 3m connection cable and mating<br>connectornector | 46-7A |
| COM interface / RS232<br>3HU / 6HP | 1  SUB-D 25-pin male<br>1  SUB-D 9-pin male<br><br>both with approx. 3 m connection cable and mating<br>connector | 46-7B<br>46-7C |
| VGA interface<br>3HU / 6HP | 1  SUB-D HD 15-pin female<br>with approx. 3m connection cable and mating<br>connector | 46-7D |
| DVI-I interface<br>3HU / 6HP | 1  female<br>with approx. 3m connection cable and mating<br>connector | 46-7E |
| S-VHS interface<br>3HU / 6HP | 1  PS / 2 Mini-DIN, 4-pin female<br>with approx. 2 m connection cable and mating<br>connector | 46-7M |
| USB interface<br>3HU / 6HP | 2  USB, type A, female<br>with approx. 3m connection cable and mating<br>connector | 46-7F |
| PS/2 interface<br>3HU / 6HP | 2  PS / 2 Mini-DIN, 6-pin female<br>with approx. 3m connection cable and mating<br>connector | 46-7G |
| Audio interface<br>3HU / 6HP | 2  Audio, Cinch, red and white, female<br>with approx. 2.5m connection cable and mating<br>connector | 46-7H |

| | | Technical data | Order no. |
|---|---|---|---|
| Audio interface<br>3HU / 6HP | | 1 stereo jack socket 3.5mm, stereo<br>with approx. 3m connection cable and mating<br>connector | 46-7J |
| FireWire interface<br>3HU / 6HP | | 1 IEEE-1394, 6-pin<br>with approx. 3m connection cable and mating<br>connector | 46-7K |
| RJ-45 interface<br>3HU / 6HP | | 1 RJ-45 connector 8-pin, female, with lettering<br>plate, pluggable on both sides<br>with approx. 3m patch cable | 46-7L |
| Data socket RJ-45<br>3HU / 18HP | | Insert plate with<br>1 double socket RJ45 Cat. 6 shielded<br>non-wired | 44-2D |
| Hollow wall socket<br>3HU / 18HP | | Insert plate with<br>1 hollow wall socket for installation of an antenna,<br>mains or telephone socket | 40-1B Z004 |
| Antenna socket<br>3HU / 18HP | | Insert plate with<br>1 antenna socket for radio, TV, SAT | 44-2E |
| IEEE 488 interface<br>3HU / 6HP | | IEEE-488 Centronics 24-pin female<br>with approx. 3m connection cable and mating<br>connector | 46-7N |
| Supply strip<br>3HU / 6HP | | Insert plate with supply strip with<br>2 BNC installation jack sockets 50 Ohm<br>can be pluggable on both sides<br>un-wired | 46-7P |
| ASi interface<br>3HU / 6HP | | Insert plate interface panel ASi with<br>4 laboratory safety sockets 4mm yellow<br>non-wired | 46-7Q |

# Interface

| | | Technical Data | Order no. |
|---|---|---|---|
| PROFI NET interface<br>3HU / 6HP | | Insert plate PROFI NET interface panel with<br>2 RJ45 connector, 8-pin, pluggable on both<br>sides with approx. 3m patch cable | 46-7R |
| PROFI NET interface<br>3HU / 6HP | | Insert plate PROFI BUS interface panel with<br>1 Sub-D adapter 9-pin, male, with mating<br>connector female<br>un-wired | 46-7S |
| HDMI interface<br>3HU / 6HP | | Insert plate with<br>1 HDMI 1.3 feed-through with 19-pin HDMI<br>connector on both sides | 46-7T |
| Multiple interface panel<br>3HU / 24HP | | Insert plate with<br>2 USB connectors, type A female<br>2 PS/2 Mini-DIN 6-pin connectors, female<br>1 Sub-D connector 9-pin male<br>1 Sub-D connector 15-pin HD female<br>each with approx. 2m connection cable and mating<br>connector<br>2 jack sockets, 3.5mm stereo with approx. 3m<br>connection cable and mating connector<br>1 RJ45 connector, 8-pin, pluggable on both sides | 46-7V |

Elabo also supplies modular plug-in connections for special applications. A wide variety of signals through one plug – all the way to compressed air.

# Adjustable AC-supply, special insert plate

| | | Technical data | Order no. |
|---|---|---|---|
| **Adjustable AC-supply**<br>**3HU / 18HP**<br><br>installable into<br>3HU power duct | | Eurocassette with floating, adjustable alternating current voltage 0...260V / 0.8A<br>1 analogue voltmeter 0...300V<br>1 analogue ammeter 0...1A<br>1 thermal magnetic circuit breaker<br>1 socket without earth contact<br>1 illuminated rocker switch | 46-1D |
| **Antenna socket**<br>**6HU / 1WU** | | Insert plate with antenna socket<br>2 Schuko sockets<br>1 antenna socket TV, SAT, Radio | 32-1K |
| **Selectable pole**<br>**6HU / 1WU** | | Insert plate with 15 non-wired laboratory safety sockets as selectable pole with labelling 1 to 15 | 32-1U |
| **Selectable pole and**<br>**emergency-off button**<br>**6HU / 1WU** | | Insert plate with<br>8 laboratory safety sockets as selectable pole with labelling 1...8<br>1 non-wired emergency-off mushroom button with snap-on contact and signal ring | 32-1Q |
| **Multiple interface panel**<br>**6HU / 1WU** | | Insert plate with<br>2 USB connectors, type A female<br>2 PS/2 Mini-DIN 6-pin connectors, female<br>1 Sub-D connector 9-pin male<br>1 Sub-D connector 15-pin HD female<br>each with approx. 2 m connection cable and mating connector<br>2 jack sockets, 3.5mm stereo with approx. 3m connection cable and mating connector<br>2 RJ45 socket 8-pin, pluggable on both sides | 32-1U Z001 |
